DogOscopes is a whimsical line of astrology-inspired pet accessories. In addition to product design, DogOscopes supports initiatives that work to improve the future of dogs through donations and education of consumers about canine-related issues.

The witty DogOscopes charms/pet ID tags feature colorful, artistic representations of the twelve signs of the zodiac. Each charm or tag is covered with a clear epoxy coating for exceptional durability. Available in 7/8" and 1-1/8" diameters. Back is smooth for easy engraving. Packaging comes complete with doggie horoscope and list of personality characteristics unique to your furry friend's astrological sign.

Dedicated to rescue dogs everywhere, Ruffscue the Rescue promotes and encourages the practice of dog rescue and adoption. The front of the thirteenth charm, Ruffscue the Rescue, features a colorful, whimsical character in the spirit of the other DogOscopes - proving that every dog deserves its day.
